COLLECTION DESCRIPTION

This collection contains booklets and pamphlets produced by the Ithaca Public Schools between the mid-19th century and the 1980s. Written for parents, students, and the community at large, these materials include annual reports from the Board of Education, newsletters, handbooks for parents of young children, directories filled with the contact information of teachers and administrators, and a student rights and responsibilities handbook. Also included in this box are a few pamphlets concerning the public school district but published by unaffiliated organizations, like the League of Women Voters.

For examples of handbooks, directories, district publications, and other documents from the late 20th and 21st century, see also the Ithaca City Schools Publications Collection (V-63-8-4).
