COLLECTION DESCRIPTION

This collection contains the business records of Ithaca's United Auto Workers Union Local 2300, dating from approximately the late 1970s to the mid 1990s. The collection includes correspondence, notes, manuscripts, union recruiting and membership information, meeting minutes, and newsletters. A few areas covered within the collection are the "Right to Know" law, union election information, health and safety guidelines and checks, and strike organization. Though the collection focuses mostly on local records, it also includes some national United Auto Workers documents.
